In September of this year, the Depot Museum was honored with the donation of a ¾ size replica of a Civil War Cannon from The Sons of Union Veterans of Howell, Michigan. Beside the cannon, the Sons of Union Veterans, also, gifted the Museum with a tri-color track - walker lantern, 1887-1897. The Howell Area Historical Society would like to extend a special "Thank You" to the Sons of Union Veterans of Howell, Mich

## BOY SCOUTS AT THE DEPOT

The Boy Scout Troop #362 visited the Depot on September 19, 2020 to paint the fence that sits in front of our building. The fence is a real antique, having been built, originally, over the Michigan Avenue tunnel in 1902. The boys and their fathers spent the day at the Depot, doing a great job on our fence. What a nice group of boys and dads. It really freshened our entranceway. Thank you to Scout Leader, Barry Williams for coordinating it all.

The boys and their dads worked all day to make sure that the job was done correctly. After a pizza lunch, they cheerfully continued working until the job was finished.

This Boy Scout Troop is helping to mold boys into fine, young men. Thank you, again.

Sadly, a few weeks ago, there was some graffiti damage done to our shed on the Depot grounds. We will have to paint it in the spring to cover up the damage. We will, also, have to dispose of the picture that was destroyed. If you have some free time in the spring, contact us. We need all of the help that we can get.
